

Moving to Oakville Checklist

A relocation checklist for comparing neighbourhoods, budgeting, researching properties and organizing the move.

Plan the move

- [Set a total monthly housing budget]
- [Choose buying, renting or a temporary transition plan]
- [Pick three to five Oakville areas to compare]
- [Test commute routes at your real travel times]
- [Identify school, childcare or accessibility requirements that matter to your household]

Research locations

- [Compare home type, housing age and maintenance trade-offs]
- [Check property taxes and recurring ownership costs]
- [Verify school boundaries for specific addresses if relevant]
- [Review zoning and nearby development for shortlisted properties]
- [Visit neighbourhoods at different times of day]

Before committing

- [Confirm financing or rental-application requirements]
- [Review property-specific due diligence]
- [Plan utilities, insurance and address changes]
- [Book movers and confirm possession timing]
- [Keep a contingency amount for first-month expenses]

After arrival

- [Update identification and service addresses]
- [Learn waste, parking and local service schedules]
- [Create a maintenance plan for the property]
- [Save local emergency and service contacts]
- [Review your longer-term housing plan after settling in]
